**CHARTERER'S  
SIGNATURE**

**REPRESENTATIVE'S  
SIGNATURE**

I hereby declare and certify that I as the skipper/client, have been informed and advised regarding all the yacht's functions onboard, and together with the representative of Discovery Yachting have checked that the following are functional, levels are OK and I am aware of the correct usage of the yacht, her equipment and safety directions. Also cabin, galley and safety items are provided for all crew members.

Checked Oil and water levels	
Checked Hydraulic Oil of the gearbox level	
Check for any leak on the exhaust hose after starting up the engine and while running	
Informed that before starting up the engine the gear lever must be in neutral position.	
Run engine forward and reverse	
Check Bow thruster function (if applicable)	
Check that the neutral button on the lever is functional	
Depth meter/depth sounder instrument functioning	
Wind instrument functioning	
GPS plotter functioning and depth settings (setup accordingly m/ft)	
All winches functional	
All navigation/motor/anchor light functional	
Bilge pump manual & electric functional	
Shower-drain pump functional (filters OK and informed where is located and how to be cleaned)	
Toilet WC pump functional	
Holding/waste tank checked that it is empty and informed how to switch via valve	
Fresh water pump functional and informed how to switch from one tank to another	
Water tanks are full informed where are located and made clear where each cap is, to refill	
Diesel tanks are full informed where are located and made clear where each cap is, to refill	
Electric windlass/anchor winch, marked, checked that is functional lift up and down	
Informed where all fuses/breakers are located and how to reactivate	
Batteries levels checked domestic/engine batteries charged & functional	
INFORMED THAT IN ORDER TO AVOID BATTERY DISCHARGE OR DAMAGE PLEASE KEEP IN MIND THAT YOU SHOULD RECHARGE YOUR BATTERIES EVERYDAY EITHER BY ENGINE CRUISING OR RUNNING THE ENGINE NEUTRAL BUT ON 1.500RPM FOR AT LEAST-MINIMUM 30 MINUTES EVERY TIME THAT THE INDICATION GETS BELOW 11,7V. IF YOU ARE NOT CONNECTED TO SHORE POWER DURING ALL NIGHT THEN IT IS REQUIRED TO SWITCH OFF THE REFRIGERATOR OR RUN THE ENGINE FROM TIME TO TIME TO KEEP THE VOLTAGE IN NORMAL LEVEL.	
INFORMED THAT BEFORE YOU START LIFTING UP YOUR ANCHOR YOU NEED TO RUN THE ENGINE ON NEUTRAL FOR AT LEAST 10 MINUTES AND THEN START LIFTING THE ANCHOR. ANCHOR CHAIN SHOULD BE IN VERTICAL POSITION WHEN LIFTING SO THAT THE ANCHOR WINCH DOES NOT PULL THE WHOLE BOAT-VESSEL. PLEASE GIVE THE ANCHOR WINCH SHORT BREAKS OF 10 SECONDS WHILE IN THE PROCESS OF LIFTING. THIS WILL SAVE YOUR BATTERIES, YOUR ANCHOR WINCH AND WILL BE ABLE TO CONTINUE YOUR VACATIONS WORRIES FREE. IN CASE OF ANCHOR WINCH OVERHEATING OR MISUSE THE THERMICAL FUSE WILL BREAK THE CIRCUIT SO REMEMBER TO LIFT UP AND REACTIVATE THE THERMICAL FUSE OF THE ANCHOR WINCH	
INFORMED HOW TO ACTIVATE AND DEACTIVATE AUTO PILOT AND THAT IN ORDER TO AVOID DAMAGE SHOULD DISENGAGE AUTO-PILOT BEFORE STEERING THE YACHT MANUALLY	
Informed never ever to drop any paper or any other objects in the toilet. Unblock Fee applicable	
Informed that should not tow the dinghy from the stern while cruising/sailing. When inflated on deck make sure it is not in the way of ropes which may cause damage and secure it down.	
Informed that when cruising/sailing all hatches especially at the bow should be closed so water enters	
Informed that if there is no water remaining in any water tank then should switch off the fresh water pump otherwise the pump will be damaged. When refilled open the tap until water flows, give some time to the air in pipes to escape.	
Informed to use only a pencil and not a pen to create courses on the paper sea charts.	
Suggested to wear suitable gloves and shoes when you work the anchor winch for protection.	
Informed when in any harbor to keep in mind that the depth is enough so a swell from a ferry or any other vessel will not cause a grounding o a hit on the rudder.	
In any case of any problem, theft, or accident please report this immediately to Discovery Yachting: Tel. +302310465269, +306988159592, +306948388098. <a href="mailto:info@discoveryyachting.com">info@discoveryyachting.com</a> , Whatsapp, Viber etc. Onboard you have all the necessary directions printed, to be clear what to do in a stress situation-condition. In case of an immediate necessity of rescue or towage you must consider the following: Always take all measures possible to avoid towage by any vessel. In case this should become unavoidable please contact us. Please do not allow or accept any kind of vessel to tow the Yacht before you negotiate and agree the towage price/fee in advance and in writing.	
Informed that you should use your Greek waters Pilot which is onboard to guide you to the safest mooring dock within the chosen harbor. Informed to be aware not to anchor at the top of others and remember not everyone will be as considerate and polite as you.

## Now it's time to get ready to sail!

As always, we want you to have the best holiday possible, so here are a few games, tips and challenges onboard a Yacht while sailing around Greek islands!

- **Crow's nest!** A game which can last the whole week or even more. Choose a certain type of yacht or boat (sailing yacht, motor yacht, catamaran, fishing boat etc.) and the first person to spot one of these (when is visible) has to shout "Crow's nest" and point it! Keep a score during your holiday and set a gift for the winner!
- **Who's the best chef?** A game especially suitable when safely moored. Create two teams of the crew. Each team will have 40' to shop the fresh goodies from a local market and prepare/create the perfect 2 course light lunch/meal without using the kitchen's oven or stove. After voting, the winner team is announced as the chef team onboard and will not wash the dishes any longer! Delicious enough?
- **Swimming competition!** A good thing is to swim! Set the SUP or your dinghy at a distance of 25m and swim there and back, until there is a winner!
- **Go for an early morning swim and enjoy the sunrise!**
- **Explore a beach and name it as you wish!**
- **Send to [info@discoveryyachting.com](mailto:info@discoveryyachting.com) or upload #discoveryyachting on Instagram something funny and count the likes! Your friends back home might be jealous so be kind! Hahaha!**
- **Give your crew, new nick names suitable for your sailing holidays!**
- **Try the Greek cuisine and try to sing Greek songs! Not just the melody or whistling but the lyrics as well! It's going to be epic!**
- **Safety tips: Do a "man overboard" maneuver, using only a fender without the cord.**

**Take a selfie with your crew and upload it using #discoveryyachting on Instagram  
You could win up to 150EUR off your next yachting holiday with us!**

(The best photo will receive a Discovery Yachting voucher)

**And now it's time to set sail! From all of us wish you a great experience!**
